**Fees:**

Fees for the event are biased on the wine tasting package the host chooses. A maximum of two wine tasting packages can be purchased at the discounted \$80 price point. Additional wine purchased for larger wine tasting style events must be purchased at full retail price. The consultant will gather the proper information from the host to personally create the order for the host in a timely fashion for the event scheduled.

**Policies**

The host is responsible for the location or event venue. The host is responsible for shipping or arranging to pick up the wine for the scheduled date. By law, event guests must be 21 or older to consume an alcoholic beverage. The consultant from Organic Wine Exchange will not serve alcohol to any intoxicated individual and reserves the right to refuse service to guests at any time during the event. The consultant is not responsible for bringing the wine or any damages created during the event. The consultant has the right to leave the event at anytime due to immoral or unethical behavior towards the consultant. The consultant must have access to the venue an hour before the start of the event to set up and prepare.

If the wine has not been shipped or in transit to the host, but a date has been set and contract has been signed, then a \$25 fee will be charged for canceling an event. This fee covers the loss of date for the consultant.

**I have read this agreement and hereby agree to the above terms and policies for hosting an Organic Wine Exchange wine tasting event.**
